Thank you again for the opportunity to judge sweeps at your show. Kind weather, old friends, gracious exhibitors and wonderful hospitality made for a lovely visit.

#### **Dogs 3-6**

1. 168 - This young fellow was having a grand time...had to love his attitude. Pleasing expression. Would like to see more bone.

#### **Dogs 6-9**

1. 134 - A nice type of yellow but can be an awkward age. Balanced front to rear but a tad high on leg at the moment which I'm sure will improve with maturity.

#### **Dogs 12-15**

1. 135 - So many things to like about this boy. Masculine, well chiseled head with kind expression, nice reach of neck and shoulder layback into a level topline with a nicely wrapped tail set right where it should be. Stands four square without assistance; presents lovely outline and moves true with plenty of reach and drive. Like many others

on the day, he was blowing coat but his breed type and correct structure can't be denied. Delighted to award him Best in Sweeps.

### **Dogs 15-18**

1. 136 - A dark chocolate who needs time to mature to reach his potential. Lacking in balance and coat today; adequate bone and headpiece; clean mover on the down and back.

### **Bitches 3-6**

1. 172 - A small but promising package! Very balanced for age and clean mover (when all four feet were on the ground!), adequate bone, nice dark pigment, melting expression and so pleased with herself...her tail never stopped. My Best of Opposite to Best in Sweeps.

### **Bitches 6-9**

1. 143 - A medium yellow who won this class over her sister on bone, topline, balance, length of body(shorter coupled) and tail set. Nice dark pigment, good second thigh, well let down hocks, showed well. Preferred head of second place but class winner for overall structure.

2. 142 - Black with plenty of animation but preferred breed type of class winner. Longer in body and lacking second thigh. Pleasing head and expression but tail carriage/set unfortunately spoiled overall picture.

### **Bitches 9-12**

1. 145 - Moderate black giving up topline today. Liked everything else about her. Feminine but well defined head and kind expression, correct coat, clean on the move, fought hard for Best of Opposite. I'm sure she'll have no difficulty finishing her CH.

### **Bitches 15-18**

1. 146 - Light yellow not in the best of condition today. Proud of her tail, she showed with enthusiasm and moved well. Some extra weight and a major coat blow were not helping to show her to best advantage.

### **Veteran Bitches**

You should really be proud of the quality found in these senior girls. They made my day!

### 7-9 Years

1. 154 - A lovely old fashioned yellow oozing in breed type. Pretty feminine head, dark pigment and a correct coat in full bloom. She still moved with such drive and never lost her strong topline. She pushed hard for Best of Veteran Sweeps.

2. 155 - A shorter coupled bitch who had much to like but lacked the topline and overall balance of my class winner. Another correct coat and happy to be here!

### 9+ Years

1. 158 - This black bitch took my breath away when she entered the ring. I wouldn't change anything - balance, profile, angles, coat, tail set, attitude and presence that never quit, and superb condition which belied her age. Pleased to award her Best of Veteran Sweeps.

2. 157 - Another lovely veteran who was unfortunate to meet the class winner today.

Great looking dark, yellow boy with excellent pigment and a most kind expression. For me, this boy was a solid package that was presented superbly. Good angulation, bone and forechest, strong reach of neck and wonderful outline. He was in great condition and coat for this time of year. Another happy boy; he drove off his rear nicely and used **himself well in the ring. Ultimately, he was my Winner's Dog.**

### Open Chocolate

1. #140 Gaff Edoardo Fendi Castlegar

Lovely chocolate boy with an attractive outline and in reasonable coat. Gorgeous neck and held his topline on the move. Nicely angled fore and aft with a very appealing head. Ultimately, my BOB winner after taking the WB honors.

### 2. #153 Breezeline's It's Complicated

Another lovely, dark yellow bitch who was very balanced, yet straighter front and rear. Typey girl with sweet expression and super reach of neck and level topline. Movement around the ring could be stronger.

## Veteran Bitch - 7-9 yrs.

### 1. #154 CH. Castlegar Bluebell

Quite an excellent bitch, not overdone, but well balanced. Sweet expression with kind eyes. Dynamite pigment. Nicely outlined yellow girl with an ample, harsh coat, slight

wave. Moved out beautifully.

**2. #155 GCH. Grandriver's Sandra Dee, CGN**

Another very nice, short-coupled yellow girl with fabulous rear. Held her topline on the move and was extremely happy in the ring. Just a tad stuffy in the neck for me.

Veteran Bitch 9+

1. #158 GCH. Fallriver Chikka Boom

Fabulous black bitch that moved herself with authority around the ring acting like a 2-yr-old. She had the loveliest of heads that melted my heart; reminded me of one of my own favorite old-time girls. She had the perfect outline with tail right off the back. Just the right amount of bone with appropriate feminine qualities. Really gave BOB winner a run for her money. Just magnificent. Awarded "Select Bitch" and "Best Veteran".
