Critiques by Denise Branch for Sweepstakes

Veterans Dog Class

10 years and over

# 96-

Coat: excellent short and dense. Pleasing eye, nice planes and headpiece. For an older dog, he has held up well with a good front assembly and a nice moderate turn of stifle. Top line sound and move true on the down and back. Nice short coupled This was my Best in Veteran Sweeps

Veteran Bitch class

7 to 10 years

#18-

Pleasing eye, nice headpiece. The coat was in good shape for the time of the year. Nice front assembly. She was not moving well today as good as my Best in Veteran dog winner. Best of Opposite in Veteran Sweeps

Nice turn of stifle. Pleasing eye, lovely headpiece. Nice reach, not as much in the rear drive on the go around. Nice short coat

Sr. Puppy Male class

Top line sound, nice moderate turn of stifle, more rear drive than reach today. Nice coat short and dense. Nice double thigh

#661

Headpiece had nice planes and a pleasing eye, little longer on loin. The coat texture was soft and silky. Moved well on the down and back.

The eye shape was very pleasing and a nice turn of stifle. Headpiece and ear set nice Tad more up right in shoulder as seen on the go around.

### Jr Puppy Female

#104

Nice short coupled. Good reach of neck, lovely tail set. I would have like to see a tad more bone for her build.

### Sr. Puppy Female

#046

Nice short dense coat, lovely feet and front carriage. Nice pleasing head piece. Moved well on the down and back. Showed good reach and drive on the go around

#660

Slightly smaller in build and had less bone. Pleasing eye. Nice placing on the tail set. I really like the textured on her coat.

### 12-15 month female class

#659

She had a lovely yellow coat and texture. Short and dense even though she was not in full jacket. Beautiful double thigh and a nice turn of stifle. Well let down. Sound head piece. Moved on the down and back nicely and her side gait was good. Overall package was pleasing to the eye. Would have like a wee tad less weight. This was my Best of Opposite in Sweeps

#127

Nice texture to this black coat. Nice length of muzzle and eye. Nice front assembly however on her side gait she was not using her rear to match her reach today.

15-18 month female class

She had a very nice short dense coat and was pleasing to the touch. Moderate turn of stifle, nice double thigh for her build. Top line solid on the go around. Nice eye color and shape for this chocolate female.
